Displaying USUA Registration Numbers

Registration numbers can be displayed on each egistered vehicle as follows:

- Characters shall be in Arabic numerals and upper case (capital) letters in a roman style typeface.
- Characters shall be at least six inches high and four inches wide except the number "1" which shall e one inch wide and the letters "M" and "W" which shall be six inches wide. Characters shall be formed by solid lines one inch thick and shall be spaced not less than 1 1/2 inches apart.
- The registration number shall be permanently affixed to the lowest left wing. The number shall be oriented spanwise with the top of the characters pointing forward. The center of the number shall be at least three feet, but not more than five feet, from the left wing tip.
- A variation may be requested for an vehicle that has a configuration which prohibits compliance with the preceding requirements.

USUA DOES NOT SUPPLY THE PHYSICAL NUMBERS. IT IS THE RESPONSIBILITY OF THE REGISTRANT TO OBTAIN AND DISPLAY THE NUMBERS.

Members have reported that boat stores are a good source for durable numbers. Some members have used contact paper with success. Of course, you can always paint them on.

Training Safe Ultralight Pilots And Instructors For Over 20 Years

FAA Recognized Airmen Registration Program

Ultralight flying is a potentially dangerous activity that can result in injury or death. EACH INDIVIDUAL PARTICIPANT, REGARDLESS OF EXPERIENCE, HAS FINAL RESPONSIBILITY FOR HIS OR HER OWN SAFETY. THE UNTITED STATES ULTRALIGHT ASSOCIATION is a voluntary membership organization of the participants and supporters of ultralight aviation. USUA, AS A PRIVATE NON-REGULATORY ORGANIZATION WHICH HAS NO LEGAL AUTHORITY TO REGULATE OR CONTROL INDIVIDUALS OR CORPORATIONS, CANNOT BE HELD LIABLE FOR ANY FLIGHT OPERATIONS THAT RESULT IN INJURY OR DEATH TO ANY PARTY. All references by USUA to self-regulation refer to each individual person regulating or being responsible for him or herself. It is the responsibility of each student to ask whatever questions are necessary for him or her to have a thorough understanding of the actions and procedures that he or she must perform in order to make a safe flight. Each ultralight pilot has the responsibility to exercise certain practices and perform certain actions to maintain safety for himself or herself and for other people.
